

INDIVIDUAL SURGERY PACKS

INDIVIDUAL SURGERY PACKS

... all Areas of Surgery

optimum efficiency

M.E.D. Medical Products GmbH is Europe's most flexible individual surgery kit packer. Our mark is on safe, efficient, cost-effective, and convenient surgery packs for your specific application.

for any surgery

We are an independent part of the G.I.S.-Group with over ten years of experience in the production of surgery packs for the international market.

in 21 days

In only 21 days we produce your desired surgery set with the features and content that work best for you: drapes, gowns, gloves, syringes, canulae, knives, instruments, wipes, sutures, etc. We develop individual solutions with you for all areas of surgery.

Made in Germany

DIN EN ISO 13485

M.E.D. Medical Products is certified in accordance with DIN EN ISO 13485:2007. All surgery packs are ce-marked and of highest quality.

minimized expenditures

Our production facility is part of our Headquarters near Frankfurt, Germany where skilled staff custom-make drape systems to your specifications. You may also choose from our standard line of drapes and packs.

ETO sterile

M.E.D. passes savings on to you by buying set components non-sterile and in bulk quantities. Sterilization is carried out by our service partner with Ethylenoxide (ETO) in a safe and monitored process. With a 4-year shelf life and one-time-use only highest patient safety is achieved.

4-year shelf life

Compact sets need less storage space and produce less waste. They provide for quicker surgery preparation and a convenient workflow. Schedule and help more patients stress-free.

increased revenue

Reordering from one source is extremely convenient. Updates are always possible. By choosing M.E.D. you take advantage of over a decade of experience, the flexibility of in-house production, and a vast variety of over 5.000 different bulk items to complete your pack.

one-source supply

We will adapt all set contents and drape designs to your preferred configuration ...
